

REC4-6

4" MR16 TRIMS

Approvals:
 cCSAus Certified
 Suitable for damp locations.

TRIMS

DESCRIPTION

Ranging from accent lights to shower lights, the REC4 Series is suitable for most residential, commercial and office lighting applications.

SPECIFICATIONS

Low voltage halogen lighting draws the viewer in and provides a dramatic effect by bringing out the form, colour and texture in the objects being lit. MR16 lamps offer a unique punch and sparkle that is ideal for highlighting small objects. All MR16 lamps require transformers.
