### DESCRIPTION

The YDD-L is an energy efficient dusk to dawn yard light. It is a versatile and economic light source that is good on the environment and uses long life LED's. The YDD-L comes standard with a photocontrol which helps to provide significant power savings. It includes an installation bracket for pole and wall mounting and a 21" arm for ease and versatility of installation. All units come standard with 6 feet of cable to facilitate the connection to the junction box when mounting with the pole arm.

### TECHNICAL SPECIFICATIONS

- Grey die cast housing
- Standard with photocell (120V only) and 21" arm
- Input voltage: 120V AC
- High quality, long life LEDs
- Estimated lifespan of 50 000 hours
- 4000K colour temperature
- Low starting temperature of -40°C
